Western v Latrobe

12:30pm - Girls Football
Eastern v Western

2:00pm - 15s Football
Southern v Western

THE PROGRAM

The Dahlsens Gippsland All Stars is a representative program available to aspiring athletes registered with any club in the Gippsland region, focused on developing young talent in both football and netball across the region.

Founded in 2021, the Gippsland All Stars program was established to offer junior football players in the Gippsland region a structured pathway for skill development and competitive play. In 2025, netball was introduced to the program, broadening its reach and giving young athletes the opportunity to develop their netball skills in a competitive, structured environment alongside football. This expansion enhances the program's ability to support a wider range of athletes.

Operating annually from March to July, the Gippsland All Stars program serves as a platform for the region's most talented athletes to enhance their skills and elevate their competitive standards. The program's carefully structured pathway aims to foster the growth of future leaders in both sport and community, ensuring that young players receive the training and guidance necessary to succeed at higher levels of competition.

Since 2023, the Dahlsens Gippsland All Stars program has been proudly supported by Dahlsens, the major partner. This vital partnership ensures the program's ongoing success and sustainability, enabling it to continue offering high-level opportunities for both athletes and coaches. Dahlsens' support plays a crucial role in maintaining pathways for talented players and coaches to progress into elite competitions, while also ensuring the program remains a foundational part of the Gippsland sporting landscape.

At the heart of the Dahlsens Gippsland All Stars program is a commitment to fostering a supportive and inclusive environment for all participants. The program not only focuses on improving sporting performance but also on the personal growth of athletes. It strives to provide young players with the tools to become resilient, disciplined, and confident individuals who will succeed both on and off the field or court.
Through this holistic approach, the Gippsland All Stars program aims to make a positive and lasting impact on the lives of its participants. It provides athletes with the opportunity to grow, challenge themselves, and pursue their potential in a structured yet supportive setting, preparing them for success in future competitive environments.

A big thank you to all our program partners that make the Dahlsens Gippsland All Stars program a success;

Dahlsens - Naming rights partner
Gippsland League - program operations
Gippsland Stars - Netball pathway partner
Gippsland Power - Football pathway partner
Hawthorn Football Club - Academy partner
Sherrin - Program sponsor
Puma - Official apparel supplier & sponsor
Virtue Homes - Rising Stars naming rights

PATHWAY PLAYERS 2025

Alix Tauru & Xavier Lindsay - 2024 AFL NATIONAL DRAFT

The first two players through the Dahlsens Gippsland All Stars program to be drafted into the AFL.

Alix was part of Western Gippsland's 15s program in the inaugral 2021 season of the Gippsland All Stars before being selected to represent Gippsland in the V/Line Cup and onto Gippsland Power in the Coates Talent League. Xavier was part of Southern Gippsland's 15s program in the inaugral 2021 season of the Gippsland All Stars and in 2025 he is off to Melbourne with pick 11 in the AFL draft.
